

# WHETHERSFIELD

Hello Whethersfield Community! We hope everyone is staying safe and healthy. Given Governor Carney's order to "stay at home" due to the COVID-19 pandemic, it's been a quiet Summer so far. There has been activity in the neighborhood as families are walking and biking. Dogs are getting plenty of walks too.

Thanks for all the essential workers out there including police officers, fire and rescue, grocery store workers, nurses, doctors and other medical personnel, trash collectors, mail delivery persons... and so many more!

## Coronavirus disease 2019 (COVID-19)

Governor Carney declared a State of Emergency starting on March 13, 2020 at 8 a.m. **Please review the [news release](#) and [Governor's State of Emergency Declaration and State of Emergency Extension](#).**

## Community News

- Yard Sale— Due to the Coronavirus pandemic the WMC Board has decided to postpone the Annual Whethersfield Community Yard Sale and may reschedule in the fall dependent on the current status of the pandemic.
- Basketball Hoops—We are a family friendly community and basketball hoops, bike riding and skateboarding keep kids active and foster friendships. There is no NCC Code restriction that prohibits the use/play of basketball hoops in the communities unless it creates a traffic safety hazard or if the participants are creating a disturbance. If you do experience an issue, call Police non-emergency at 302-573-2800.
- Pet Waste—Dog waste is not only unsightly but unhealthy. Dog waste can transmit bacteria and viruses including tapeworm, roundworm, E. Coli, Parvo and more. If it's your pet, pick it up. Simply said: PUP, pick up poop!
- Parking—since so many of us are out walking the neighborhood, as a safety measure please do not block the sidewalk so that folks have to walk in the street.

Shop local farmers!
