

WHETHERSFIELD

Spring/Summer 2022

Hello Whethersfield Residents!

After a long winter, Spring is finally here. Woohoo! With Covid19 numbers declining, it's nice to see residents out and about walking throughout the neighborhood.

Due to Covid concerns, the annual meeting was not held but thanks to everyone who mailed or dropped off proxies, we had a quorum (10% or 22 votes) to be able contact business. We were able to pass our annual budget and elect officers. There are a few new faces on the Whethersfield Board of Directors. We cannot thank you enough!

Officers for FY2023 are:

President—Kim Barr

Vice-President—Rory Irwin

Secretary—Patricia Shaw

Treasurer—Dee Calhoun

Member at Large-Jayne LeFavi

Annual Assessment

The annual assessment for fiscal year 2023 (March 2022 through February 2023) will stay at \$120.00. Assessment bills are expected to be mailed in May/June 2022.

We appreciate all that pay and especially those who pay on time! If paying in full is a hardship, please contact the Treasurer or President through the new website www.Whethersfield.org for payment arrangements.

Out yearly assessments cover:

- Snow removal
- Maintenance of the open space
- Insuring the open space
- Beautification of the front of the community
- Newsletter and special announcements

8 am—2 pm

Neighborhood News

Street Parking

The streets are owned by the State of Delaware, not Whethersfield. Anyone can park anywhere absent a restriction by the State (too close to a corner or blocking access to or from a driveway). In these cases, NCC Police (573-2800) can be called.

Additionally, [NCC Code Enforcement](#) can be called if someone is parking on the grass (NCC Code violation 395-5555). Please be aware if a mailbox is blocked by a parked vehicle, the postal delivery person is not obligated to leave the mail. Keep in mind the need for emergency vehicles to get through on narrow streets.

Basketball Hoops

Basketball Hoops—We are a family friendly community and basketball hoops, bike riding and skateboarding keep kids active and foster friendships. There is no NCC Code restriction that prohibits the use/play of basketball hoops in the communities unless it creates a traffic safety hazard or if the participants are creating a disturbance. If you do experience an issue, call Police nonemergency at 302-573-2800.

Pet Waste

Dog waste is not only unsightly but unhealthy. Dog waste can transmit bacteria and viruses including tapeworm, roundworm, E. Coli, Parvo and more. If it's your pet, pick it up. Simply said: PUP, pick up poop!

Yard Sale

The Community Yard Sale will be held Saturday/Sunday May 21st & 22nd. Let's hope for great weather!

School Bell Road Communities

Tyler Technologies has recently been in our neighborhood reassessing our properties. Data collectors will measure buildings and talk with property owners. All Tyler staff will wear photo ID badges and vests identifying them as part of the project. You can read more about the process online at www.nccde.org.

There is a Little Free Library located at 88 Dasher. Books are available. Take a book - Share a book! Free Little Library book-sharing boxes play an essential role in providing 24/7 access to books right in our neighborhood

To report a street light outage, contact Delmarva either online at www.delmarva.com or by phone at (800) 375-7117. The reporting requires customers to provide the utility pole number or an address for the streetlight.
